PROJECTS

Todos Application (kktodolist.ccbp.tech)

Developed persistent todo application with CRUD operations to track list of tasks

- Displayed list of todos with HTML list elements, styled todo list using CSS, Bootstrap
- Implemented todo crud operations by using JavaScript event listeners and updated UI dynamically by using JavaScript DOM operations.
- Used Arrays, Objects and their methods during todolist CRUD Operations, Persisted todo list state on page reloads using local storage methods.

Technologies used: HTML, CSS, JS, Bootstrap

Food Munch (foodmunch.ccbp.tech)

Developed a responsive website for Food Store where users can see a list of food items, detailed information about a food item, offers

- Designed page using following HTML structure elements like li, header, article, footer elements and different bootstrap components to show different sections in the website and different bootstrap classes for responsiveness through mobile-first approach.
- Implemented product youtube videos by using bootstrap embed and model components.

Technologies used: HTML, CSS, Bootstrap

Data Analyst - Project:

Developed an insightful sales report dashboard for “[Karthikeya Real Mart](#)” using Power BI. The goal was to analyze and visualize key performance indicators, including order totals, revenue streams over time, product quantities sold, and return rates.

- **Data Collection:** Gathered relevant data from Kaggle, ensuring a robust dataset for analysis.
- **Data Cleaning and Preprocessing:** Ensured data quality and consistency using Microsoft Excel
- **Data Modeling:** Developed models for in-depth analysis.
- **Data Visualization:** Utilized Power BI to create insightful visual representations, making complex data more accessible

Tools: Kaggle, Microsoft Excel, Power BI

CERTIFICATES

[Introduction to Database - SQL:](#)

Certified in Introduction to Database SQL, demonstrating proficiency in fundamental database concepts, query writing, and data manipulation.

[Dynamic Web Application:](#) | HTML | CSS | Bootstrap | JavaScript

Certified in developing interactive and data-driven web applications using modern technologies and frameworks.

[Programming Foundations with Python:](#)

Proficient in Python programming, including problem-solving, algorithms, and data structures.

[Responsive Website:](#) | HTML | CSS | Bootstrap

Skilled in creating websites that adapt seamlessly to different screen sizes and devices..

[Static Website:](#) | HTML, CSS, Bootstrap

Experienced in building static websites with clean design and efficient code.

[XPM 4.0 Fundamentals:](#)

Certified in XPM 4.0 Fundamentals with expertise in personal identity, integrity, goal-setting, and prioritization.

SOFT SKILLS

Problem Solving & Creativity

Good team player, Versatile, Hardworking

Flexible and adaptable to new environment

Can do work under pressure

Always try to grasp new skills

Self-Motivated, Highly enthusiastic able to meet deadline.
